- Group 3 to tour Floor 3...

Plan ahead for
your research

It was
not
raining when
Noah built the Ark

A green scroll with a dark green border and a small dark green tab on the left side. The scroll is set against a light blue background. Several blue wavy lines, resembling smoke or flowing water, emanate from the right side of the scroll and curve upwards and outwards. The text "Thank you" and "Any questions?" is written in a large, black, sans-serif font on the green surface of the scroll.

Thank you

Any questions?
